

CERTIFICATE OF ORGANIC OPERATION

Issued by ECOCERT SA to

**L.I.R.A. S.A.
LA PLATA 554
B° JUNIORS - CORDOBA
ARGENTINA**

The following products and activities are certified to the USDA organic regulations, 7 CFR Part 205.

Any reference to the organic production mode has to respect the rules as determined in Subpart D of the Rule. Any other rules of labelling as determined by national food acts have to be followed.

Scope: Handling

Effective date of NOP first certification: 17 January 2019

Category of certification: NOP "100% organic" product (205.301a)

HANDLED PRODUCTS

Fruit-based preparations

Raisins

Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked. A certification operation must annually request the continuation of its certification by following the section 205.406 of the NOP.

The authenticity and validity of this document can be verified on www.ecocert.com.

Issued in L'ISLE JOURDAIN

On: 31 January 2020

Anniversary date

(when the certified operation must submit its annual update)

1st August 2020

Buenos Aires, 31/01/2020

Subject: Anniversary date in USDA NOP Certificates of Conformity issued by ECOCERT SA.

To Whom It May Concern:

Hereby, ECOCERT SA would like to confirm that the company L.I.R.A S.A. is currently in possession of a valid USDA NOP certificate of conformity, document that is valid as the operator has already received an inspection visit by ECOCERT during this season, audit that was performed on 03/11/2019

This action is supported on the USDA NOP regulation, which in §205.404 (e) states:

"(e) Once certified, a production or handling operation's organic certification continues in effect until surrendered by the organic operation or suspended or revoked by the certifying agent, the State organic program's governing State official, or the Administrator".

We hope that this information is useful and helps clarify the current certification status of L.I.R.A. S.A.

Best regards,

Ing. Agr. Rodrigo Misiac

Buenos Aires, 31 January 2020

<p>Attestation of compliance of NOP certified products</p> <p>with the terms of the US-Canada Organic Equivalency Arrangement</p>

Dear operator,

Ecocert SA confirms that the following products certified according to NOP for the operator L.I.R.A. S.A. are in compliance with the terms of the US-Canada Organic Equivalency Arrangement listed below:

List of products: RAISINS

1. Agricultural products produced with the use of sodium nitrate shall not be sold or marketed as organic in Canada.
2. Agricultural products produced by hydroponic or aeroponic production methods shall not be sold or marketed as organic in Canada.
3. Agricultural products derived from animals (with the exception of ruminants) must be produced according to livestock stocking rates as set out in CAN/CGSB-32.310-2006-32.310-2006 (amended October 2008).

This attestation or equivalent statement must appear on documentation travelling with any product entering to Canada.

Yours sincerely,

RODRIGO MISIAC
Certification Officer for NOP
ECOCERT SA
